## Media Composing Unlimited Opens in 2016

*Music Composing Unlimited, a full service music company Opens in Sonora, CA*

Music Composing Unlimited (or “MCU”) opens it's doors to the public first quarter 2016. MCU is a full service music company, offering services in the areas of music composition, music arranging, musical orchestration, and theatrical musical directorship within the central California area and beyond. They specialize in orchestral music composition and cinematic style orchestration for Film, TV, and Games, but also offer musical directing for theatrical plays, and music copyist services as well. Owner and CEO Mark Gosney is fully qualified in music theory and in today's complex music technologies through is extensive education. This education includes a Bachelors of Science degree in Physics, a Bachelors of Science Degree in Mathematics, and is currently working on his Bachelors in Professional Studies degree in Music Composition for Film, TV, & Games at Berklee College of Music Online.

MCU has extensive contacts with film and tv music professionals in the Los Angeles / Hollywood area through such organizations as the American Musical Arrangers and Composers (or “ASMAC”) and other such organizations. As Mark has said in the past “It's with my musical knowledge, education, technical knowledge, and these contacts in the industry that we can guarantee our professional services beginning to end.”

MCUs mission is to bring solid well written music to the film music industry, with a strong professional attitude, and ready to help in any way we can. Please see our [soundcloud.com](http://soundcloud.com) player on our home page to get a sample of our music and what we can do for you.

Sincerely,

Mark Gosney
